

1. Provide us with information on your new company (online, phone or email).
2. We will then complete all filings for your business. We actually do the filings directly with the State and IRS. After everything is approved, we email you all approved documents. Normally, we can get all documents approved between 2-5 business days.
3. Upon State and IRS Approval, we will email you all the approved documents, including:
 - a) Articles of Incorporation or Organization
 - b) Employer Identification Number (EIN)
 - c) Form 2553, if applicable
 - d) Template for Bylaws or Operating Agreement
