

Complete Payroll Services

A small business with employees must use a payroll servicer that handles the complete payroll function for that company. We have teamed up with a national payroll company that handles all your payroll functions at the lowest cost possible. You cannot afford to be with a payroll service that does part of the work. You need to be with a payroll company that can handle all of your payroll needs.

We Provide the Complete Payroll Package, including:

- ☐ Reasonable service fees
 - ☐ Friendly customer service
 - ☐ Direct deposit of checks
 - ☐ Monthly and quarterly tax filing
 - ☐ All IRS and state filings
 - ☐ Electronic tax payments
 - ☐ Year end reports and w-2
 - ☐ Electronic internet access to payroll reports
-

We serve small businesses nationwide.

Call us today or email us to discuss your payroll service needs.
